SPEED DATING

FRIDAY 4TH, 11.45-13.00

Speed dating is for finding new international partner institutions for the goal your institution has.

The themes of the speed dating class rooms: 1) research, 2) mobility , 3) curriculum development, 4) joint courses / joint degrees, 5) Master's Degree. One theme in one class room. You can choose the theme, you want to participate in. In the end of the key note speaker's presentation at 10.30, there will be a quick Gallup, how many will participate to each theme. The information, in which class room is which theme, will be given just after that. The themes with more participators will be in bigger class rooms.

During the speed dating, you'll have 5 minutes time to find out, if the institution of the discussion partner is interested in same kind of cooperation as your institution is. There will be 12 times 5 minute's discussions. Please, prepare yourself for promoting your institution. In each class room, there is one person telling when 5 minutes has gone, and it is time to change the discussion partner.
